That's awesome! Quick question for you, I don't know if you'd be open to it or not but I'm starting a new health program to (reset my metabolism/decrease inflammation/balance my hormones/lose my COVID weight). I would love the extra accountability and honestly think it's something you may love too. Is this something you'd be open to?

YES/OPEN	I'm going to send you a quick video so you can see a few testimonials! Here's a short 3 min video to give you a better idea on what it's about and let's chat after on the phone. It would be great to catch up!
FOLLOW UP	After 10 minutes... It's amazing, right?! Eat carbs every 3 hours and lose weight? I'm in!
