Hey X, do you have a minute? (wait for response) Can you do me a Huuuge favor? (wait for response)
I just started a new business and I'm one customer away from hitting a huge milestone! If I could offer you a natural health product with a 100% money back guarantee, would you do me a Huuuge favor and give it a try?

Hey X, how's everything going?! Are you still (work/hobby/health)? (wait for response)
That's awesome! Quick question for you, I don't know if you'd be open to it or not but I'm starting a new health program to (reset my metabolism/decrease inflammation/balance my hormones/lose my COVID weight). I would love the extra accountability and honestly think it's something you may love too. Is this something you'd be open to?

- YES/OPEN** — Here's a short video to give you a better idea on what it's about and let's chat after on the phone. It would be great to catch up! (Send 'Step 1: Learning about the Reset' Video from Kyani Pro)
- INTERESTED** — Awesome! I'm so excited for us, it's going to be so much fun! Watch this quick video (Send 'Step 2 Pick Your Bundle' Video from Kyani Pro2), select your pack, and let me know when you're done!
- FOLLOW UP** — After 10 minutes... It's amazing, right?!
